

TFRW Convention Awards 2008-2009: Your Club's Roadmap to Success!

The TFRW Awards program is the EASIEST and SUREST guide to achieve SUCCESS in your local club. If your club follows the guidelines of the JOHN GOODWIN TOWER AWARD OF EXCELLENCE you will have a successful and meaningful political experience in your local area. The requirements and points on the application are divided into five areas: Club Function, Membership Development, Programs, Campaign Activities, and Community Relations/Service. When your club completes these requirements you will realize you have followed the PURPOSE of TFRW and your Federated club to:

Actively Support Republican Candidates

Provide strength and unity for political action

Train women to become effective Republican Party workers

Inform our members and the electorate through political education

Offer a source of year-round service by Republican Women volunteers

Publish and distribute TFRW, local club, and other political action materials

Cooperate with and support the Republican Party organization

Plan local and statewide meetings to broaden and unify interest and education

Your club will be receiving John Goodwin Tower Award of Excellence forms as well as having access to the forms at www.tfrw.org. I will be in contact with your President and Awards Chair regularly to encourage your participation. If you participate in the awards program YOU WILL have a SUCCESSFUL Club!
