- NFRW Regents are members of a powerful group of Republican activists.
- NFRW Regents include Members of Congress, top executives and community leaders.
- NFRW Regents combine personal and civic activism with the desire to promote the cause of good government at the national level.
- NFRW established the Regents Program more than 20 years ago as an avenue for Republican women to play a greater role in our nation's political system.
- NFRW Regents support a wide range of political education programs.
- NFRW Regents provide operating capital which allows the NFRW to maintain a low general membership rate, making membership affordable to women of all ages and economic backgrounds.
- NFRW Regents membership is reserved for individuals who wish to make a commitment of \$1,000 annually to the NFRW. Many women wishing to go beyond the initial commitment have become Capitol Regents. Capitol Regents make the commitment of \$5,000 annually to the NFRW.
