GREAT JOB! These Local Clubs are well on their way to helping TFRW achieve its Membership goal of increasing Membership **24% in 24 months**. Join these ladies by submitting

100% of your 2007 Active Members for renewal and then submit a few more. This is such an important election year and **MEMBERS = VOTES!**

Please send in the TFRW Membership submission forms as soon as possible; every member helps to achieve the goal and every member influences others in the way they vote.

Just think, recruiting one new member could possibly influence a dozen votes. How? Because that new member has friends, family, neighbors and co-workers who listen to what she has to say! And so do you, so be **BOLD** and talk to people about joining your Local Club.

TFRW Local Clubs are investing in their growth. On February 16th, the Salado Area RW held an Officer Workshop where they learned about Campaign Activities and “How to Build Membership”. Consider investing in your Club by hosting a Membership Presentation/Workshop; in fact, get together with other Clubs located near you and host a joint Workshop where you can compare tips and help each other succeed.

Please keep me informed of your club activities by adding me to your newsletter and e-mail list for club announcements. Communication is key, so encourage your Club Members that -

The TFRW Leadership Workshop on Feb. 2, 2008 in San Antonio was a huge success! If you were not able to attend, check with your District Director to see if a Regional Workshop is being planned.

Almost 100 Local Club members attended the Workshop on “How to Build Membership” where TFRW Membership-VP, Hazel Roman, announced the Membership theme for TFRW, “Membership is a Lifestyle, not an Event!” The goal for 2008-2009 is to increase membership by 24% in 24 months. So invite someone to join YOUR Local Club and help achieve that goal!

Membership is a Lifestyle, not an Event!
