

Dear TFRW Members

The first President's E-Newsletter was well received. Many presidents were happy they could forward all or part of the newsletter to any of their members. If you're reading this then you have e-mail, BUT you might know someone who does NOT and would like a hard copy sent to them. Please have anyone without e-mail call headquarters to arrange a hard copy, for just a small fee.

Please read each article in its entirety because each person who wrote an article spent their time for you. The author was asked to prepare the piece to share important information. Your action is required on a number of articles. Please share this information with anyone you feel will benefit from it.

TFRW would like to thank:

**Lt Governor David Dewhurst** for the new computers and the sponsorship of the new competition for campaign hours- General Election Competition.

**Senator Jane Nelson** for sponsoring our web page. As soon as the new computers are up and running TFRW's web page [www.tfrw.org](http://www.tfrw.org) will have a new look.

**James McGrody** for designing our web page at such an incredible price.

I've heard many of you had challenging Senatorial/County Conventions. Don't be discouraged. Give yourself time to get over any problems then try working with the ones who have challenged you. If you did not get elected as a delegate or alternate you can volunteer at the convention. Your presence at the convention is still extremely important to allow you to voice your concerns.

Susan Fischer suggested a new motto: WARM - "We Are Role Models". Let us show WARM to all around us.
