

TECHNOLOGY UPDATE

It is imperative that every member sign up for the NFRW's free e-mail network, which includes weekly news and issue briefings, CAP Alerts, the *Republican Woman* magazine, and much more.

Please make sure we have your e-mail address, and encourage your fellow members to sign up, too. ▶ Go to www.nfrw.org/network.htm for more information.

Remember ... **It's Easy. It's Free. It's Private.**
