

Victory 2008

To get a head start on the upcoming campaign, a line of communication has been developed by TFRW to deliver timely information to local Republican member organizations. Each club is being asked to designate a liaison to be the point person to receive and distribute TEXAS VICTORY 2008 information to their respective membership. Your Liaison can be one of your elected officers or committee chairs or maybe a member with no assigned job.

Casey Martin is the contact for TFRW Regions I, II, IV, VI, VII, VIII and X. Casey can be contacted at cmartin9@marykay.com. The contact for TFRW Regions III, V, IX and XI is Kathy Webster who can be contacted at kathleenwebster@earthlink.net.

Please email your Regional contact with the name and e-mail info of the person appointed to this important liaison position. If no liaison is appointed from your club, the information will be sent to the club President. Some clubs have already appointed their Liaison and we thank you!
