

## ARTICLE ON State Republican Executive Committee (SREC)

Rebecca Williamson, 1<sup>st</sup> VP and SREC #24

As liaison between the RPT and TFRW for this last 2-year term, it is my pleasure to tell you about the SREC and how TFRW plays a significant role in the success of the Republican Party of Texas.

The SREC represents the interests of the constituents of their Senatorial Districts, much like precinct chairs represent their precincts on the County Executive Committee level. The SREC members deal with the business of the RPT including fundraising, budgets, political issues, and serve on committees of the RPT. These include including Party Organization Committee (which includes County Chairman Sub-Committee, Voter Registration Sub-Committee, Ballot Security Sub-Committee); Rules Committee; Coalitions and Auxiliaries Committee; Resolutions Committee; and Volunteer of the Year Committee.

I want to thank all the members of the SREC for the dedication, time and commitment they make on behalf of our Party. When your delegations meet in Senatorial Caucuses at the State Convention in June, one of the things to occur will be to vote upon the individual who will represent them for the next 2 years on the SREC – one committeeman and one committeewoman for each Senatorial District (SD).

We serve 2-year terms and are term limited after serving 4 consecutive terms. Some of you are in Senatorial Districts where one or both of your SREC members may be term limited or perhaps are not planning to run again. Others of you may have plans to run for this position yourselves.

I encourage you all to thank your SREC members for their service and consider how you can support the RPT as well. The link to the contact information of all SREC members is:

I also ask that our SREC members visit TFRW website at [www.tfrw.org](http://www.tfrw.org) to see what Texas Federation of Republican Women clubs and members are doing. Our efforts will be a great resource to SREC members and County Parties as we all move forward together with our great Victory 2008 efforts.

The SREC is an interesting and diverse group of activists and, even if you are not a member of the SREC, you are always welcome at our meetings!

The Republican Party of Texas is grateful to TFRW as a recognized Auxiliary of the State Party for its coordination and hard work as we combine efforts for Victory 2008. The County Party Incentive Program outlined by Victory 2008 works hand-in-hand with TFRW's General Election Incentive Program. Together we WIN!

Take the time to visit with your SREC members in YOUR SD!
