

PUBLIC RELATIONS

If you have ever wondered why some clubs seem to always be in “Round About Texas” in the Texas Star, It’s probably because those clubs submit information each quarter. I do my best to include all the clubs I can through out the year and use a check list for each quarter to keep track of which clubs have been included. I use your newsletters to glean information and the reports of the District Directors. The format of “Round About Texas” Is a series of snippets of information about the Republican Women Clubs across Texas. Please keep that in mind when you send your information. While it is perfectly alright to send me the same article that you might have sent to your local newspaper, you must realize that the article would not fit the “snippets” format.

I will extract from the article something that will fit the format. If you have a preference as to what I choose please let me know in the e-mail you send. Of course I also receive information by snail mail along with photos, which I scan to include them in the article. If you send by e-mail, please send your photos separately as a jpg or a tiff file. The jpg is usually the most convenient since this is what all digital cameras use. When photos are included in an actual “word” document, they are too difficult to deal with. If you want to be sure you get noticed ‘round Texas, send your information to
