

# How to Win Friends and Influence D's (dems and Dummies)

Beryl Dowd, TFRW Deputy President Region VI

In the July newsletter we shared with you the top 10 Objections from the Dem s and OUR responses to them. In August we suggested the secret formula for building your own responses.

A great example is using people's concern over the cost of gas. You agree with the concern, give your fact about why it, and then personalize it to the listener.

Now we have samples of agreeing and neutral statements. This step is easy to skip but without it you won't have a receptive audience. Once you have gone this far, you are ready to move on to the courageous a final step of initiating a conversation yourself. Soft or neutral questions are your best ally. The grand finale shows how to end the chat in a positive way.

We are doing this as a group in the TFRW GOTV workshops. Join us and see how easy and fun it can be to change some D's vote.

Keep it up Ladies.... The news today is great and we are winning and this is why
