

## Campaign Activities

It's Get Out The Vote time, ladies, and TFRW is rolling! On August 2 we took our show on the road to Bandera, where the room full of people represented eight counties. We just finished our workshop in Kaufman, and had five counties represented. Excellent turn out, a good time was had by all, and hopefully, we gave them some good tools to use in their grassroots efforts. A special **thank you** goes out to the club members in both areas who organized the events and made the arrangements.

Now it's on to Nacogdoches August 23, then Wise County September 27, then the Corpus Christi/Kingsville area. We are so fortunate to be joined by representatives from TEXAS VICTORY 2008 as they demonstrate the usefulness of Voter Vault and the fine points of targeting voters.

We're in the Super Bowl of politics this year, and we're needed as players, not spectators, in this most critical election of our lives. So ladies, remember that Texas will be the Million Hours state, when we win the Campaign Activities award at next year's NFRW Convention. While we are proudly sporting our candidates' bumper stickers and working so hard, don't forget to keep track of your hours, and to get verification of the hours counted towards the General Election Competition. Thank you Lieutenant Governor Dewhurst for that sponsorship!

We're in the third reporting period which ends September 30, with reports due to me October 15. If you missed the last reporting period, include them in the next one. And a reminder, hours spent working on REGULAR club or board meetings are not countable, only count the hours you spend on special events, besides the ones you spend working directly on campaigns.

Thank you for your all your hard work, your time, and for keeping the faith during these difficult weeks, as we strive to get people to jump off the fence and join the surge to get our Republicans elected. All of our candidates on the various ballots need us as never before. God Bless America!!
