August 29, 2008 – A day the Republican Party will never forget! Senator John McCain selected Governor Sarah Palin as his running mate. As of September 20, 2008, there are now 403,342 supporters on the Governor Palin Facebook page. Amazingly enough, this craze is taking off! Generation X and Generation Y are a lot of the individuals that are signing up to support her on Facebook. As I have been saying for 3 months, this is a group that the Republican Party needs to bring in. Below are instructions to sign up for Facebook.

Facebook Mentoring

With the upcoming election, TFRW clubs need to take the opportunity to get involved with the younger generation. Facebook is only the beginning opportunity that we have to reach out to this younger generation.

The Texas Federation of Republican Women and the Texas Young Republican Federation ladies are teaming up to help mentor both groups. The TYRF ladies are ready to help clubs all over this wonderful state set up Facebook accounts for personal use and also group pages. Additionally, the TYRF would be available to assist with blogging options.

If you are interested in having a mentor help setup a Facebook page, please contact Terri Flow at tlflow0811@yahoo.com and she will find a mentor for you.
