

## CAMPAIGN ACTIVITIES

Dear Republican women, four years ago we had much to celebrate. This year, the victories are fewer, but even more important. Thankfully, we elected some strong and principled people to public office.

It's not over yet, because there are some important runoffs in Texas, as well as recounts in other states. If you are able to, why not send a contribution to those campaigns now? Joan Huffman running for Senate District 17 in Harris County could use our help in the Dec. 16 runoff.

Ever wonder if our GOTV efforts are worth it? Some areas where we held workshops have become more Republican, and Linda Harper Brown in Dallas won by only 20 votes. More proof that every vote counts. The deadline for reporting hours for the Dewhurst Election Competition has been extended to December 17, 2008, so keep working and counting those hours, ladies. To find out which candidates you can help, just call RPT at 512 477 9821 or go to [www.empowertexans.com](http://www.empowertexans.com).

Thank you for your work and for keeping the faith!!
