

NFRW Dorothy Andrews Kabis Internship

It is time to encourage young college women to apply for the NFRW Dorothy Andrews Kabis Internship. This Memorial Internship Program is named after former National Federation of Republican Women President Dorothy Andrews Kabis, who served from 1963-1967 and was later appointed Treasurer of the United States by President Richard Nixon. Each year, the program offers three young women the opportunity to spend six weeks in our nation's capitol working at NFRW's headquarters - the country's foremost women's partisan political organization.

Applicants must be U.S. Citizens in their junior year of college or college students age 21 and over, having completed high school but not yet graduated from college. Applicants should have a general knowledge of government and a keen interest in politics, including campaign experience and clerical office skills adaptable to a busy office. The internship provides housing in the D.C. metropolitan area and round trip airfare. A small monetary allowance is given. Each state will choose one application form to submit to NFRW. The internship winners will be chosen by the NFRW Executive Committee.

A complete application must include the following, and only completed applications will be considered:

- ◆ Official application form, sections A-F fully completed.
- ◆ Most recent college transcript.
- ◆ One-page typed essay stating your interest in the Kabis Internship.
- ◆ One-page typed description of a particular political, extracurricular, or community activity that you have been involved in, including an account of your personal contribution to the activity.
- ◆ Three letters of recommendation, including phone numbers of authors for follow-up.
- ◆ Optional photograph.
- ◆ State Federation President Certification.

Applications are available on the www.NFRW.org website under Programs. Applications must be postmarked by Wednesday, February 4, 2009 and mailed to NFRW/TFRW Scholarships and Internships Chair:
