It was so kind of you gals
to send the inspiring dog tags
to the Palin family. It means
a lot to Sarah & Todd to have
the thoughts & prayers of Americans
supporting the mission of Iraq and
all the others in the military.

May God bless the wonderful

Dear Friend,

A heartfelt "thank you" for taking the time to send our family a note of support. Your encouragement motivates me and keeps me going as I work hard on the campaign trail. I regret not being able to respond on a more personal level, but as you can imagine, the volume of mail we receive daily is overwhelming.

Again, it was good to hear from you and we wish you the very best.

Sincerely,

Governor Sarah Palin
