Ladies, we are up to nearly 500,000 hours, and I sincerely thank you for your work and your reports. And while we all know that the most important thing is helping to elect Republicans, it's also nice to get the deserved recognition and awards for that work. During the Leadership Workshop recently in Port Aransas, we had the pleasure of listening to the newly-elected Representative Todd Hunter give much of the credit for his victory to the local Republican women. These hours we work are a demonstrable measure of our impact on the election process. So please let me hear from you by fax, email, or snail mail, because I know that there are many more unreported hours out there.

Please remember to take any opportunity you get to thank Lt. Gov. David Dewhurst for his generosity in funding the General Election Competition, which ended December 16 with the run-off in Houston of Joan Huffman, who won her race. So let's all make it to Legislative Day, when those prizes will be awarded.

Another reminder.....the Legislative Day reporting deadline is March 15, so please mark that date on your calendars also.

*Best Regards,*
