This is the Achievement Awards Official Report Form for the time period January 1, 2008, through December 31, 2009. Although some programs or activities may occur after the June 1, 2009, awards form submission deadline, credit will be given for programs scheduled through the end of December 2009. Programs and activities can be checked off as your club completes them. Additional activities and bonus points have been added to this worksheet to give the opportunity for large and small clubs to achieve a higher level of recognition.

The Achievement Awards are designed to enhance teamwork among members of each club. Using the Achievement Awards worksheet as a guide for planning club activities will produce a well-balanced club program. It establishes standards of performance for club functions, membership development, programs, campaign activities and community relations.
