

CAMPAIGN ACTIVITIES

Now that another Memorial Day has come and gone, I hope you all took time to give thanks and prayers for our men and women in uniform who have served this great country in the past and present, and that you displayed the American flag on this very important day.

And a huge Thank-You from me to all the beleaguered Campaign Activities chairmen who have sent me their clubs' hours, you are rockin' Republicans!

And next on the agenda, we move on to one of the most important things we do as a Federation....our Campaign Management Schools. We have three scheduled at this time, in very important parts of the state: San Antonio in late August, Dallas on October 24, and Galveston on November 12. The details will be available on the TFRW website soon. We're looking forward to traveling with our team to these areas, and there are still some available dates, if other areas are interested in hosting a school.

Ladies, keep up the good work, especially if you are in contact with your state Legislators and federal level Congressmen, they need to hear from us on the bills that will affect our daily lives. This is a critical time in our history, and we must have a voice! As always, electing Republicans is a MIGHTY CAUSE!! For moral support, visit www.heritagefoundation.org.
