

## Schedule Change For The Texas Star

There has been a change in the schedule for the Texas Star. We are required by our by-laws to publish the slate of officers 90 days prior to the convention which is on November 14. This deadline will put the summer and fall issue very close together.

Therefore we will be dropping the summer issue and the the next issue will be fall of 2009 with a deadline of Aug 1.

With the 90 day requirement prior to the convention, the deadline will need to be firm. To be sure your club is mentioned in "Round About Texas", send me your submissions by Aug. 1. Electronic files are easiest to work with.

Have a great summer.
