

The John Goodwin Tower Award of Excellence

COMMUNITY RELATIONS/SERVICE

In the Summertime!

Community Relations/Service Requirement #2 (CR-2) is to complete at least one Community Service Project and promote it to the media. The summertime is a great time to include your club member's children and grandchildren, who are out of school, in a fun Community Service activity.

Perhaps you might choose a Community Clean Up or do something special for a summer school program or community day camp. Think of something fun that the children will enjoy. It may be easier to get media coverage if you have cute kids in the project!

If the Community Service Project you plan is a summer Book Drive to donate books to a library, tutorial program, or other agency, you **ALSO** get points for the Community Relations/Service **BONUS** points (CR-4B) AND **BONUS** points (CR-5B).

A 3-in-1 Credit Opportunity!

Have Fun!

The Awards will be presented at the 2009 TFRW Convention. Requirements and Bonus Activities are for the time period: January 1, 2008 through December 31, 2009.

Forms must be postmarked by September 12, 2009
(Certified and/or Return Receipt is recommended for proof of Application mailing).
