

# CAMPAIGN ACTIVITIES

July 2009

I'm so proud of all the TFRW clubs, especially the ones who have rallied in the last few weeks to get their campaign hours turned in, and a **special** thanks to those who have been reporting all along. You are Great Americans! Now that our 2007-2009 reporting periods are finished, no reports will be due until October 2009.

Speaking of great Americans, if you're not watching Sean Hannity on Fox News Channel every evening, you're missing a terrific show. He is truly keeping us informed.

We're pleased to let you know about our next big project, our Campaign Management Schools. In these workshops, we cover all aspects of good campaigns, from fund-raising, Texas election laws, volunteer recruitment and time management, voter contact, public relations and internet access in campaigning, political ads and materials, to candidate image. They are informative, fun, and a **MUST** for all candidates, staff, and those who want to help get someone elected. That includes all of us, because the stakes couldn't be higher in the next election. Many of us have attended national level campaign schools, and we're bringing it all to our own schools.

There is also a school planned for Athens, with a date to be determined. We've included a registration form, please help us get the word out.

Keep up the great work, ladies, we are in the fight of our lives, for our country. God bless you all!
