

CAMPAIGN ACTIVITIES

It's **kick-off time**, and not just for football anymore. TFRW has held the first Campaign Management School for 2009 in San Antonio, hosted by Alamo City Republican Women, and it was a huge success. Joining me as presenters were Terry Reid, president of Sunnyvale RW, Terri Flow of Austin RW, Beryl Dowd and Vicki Hodges of Ft. Worth RW, Mary Mayo of Parker County RW, Rebecca Williamson of RW of Kerr County, Karen Harris of Bandera RW, and Ross Fischer, Director of the Texas Ethics Commission. We are indebted to the ladies of Alamo City RW and their president, Freida Wright, for their hospitality and hard work.

A very special thank-you goes to the sponsors of this school, Susan Lilly, of **Lilly and Company Political Consulting**, and **Representative Dan Branch**, Dallas area District 108. We appreciate their generosity and support of TFRW.

Next school on our schedule is Dallas, October 24, then Galveston at our TFRW Convention. Please help us spread the word, we're getting much positive feedback, and are always striving to improve on our work.

As we prepare for this profoundly important election cycle, remember that you are Great Americans, and we are engaged in a MIGHTY CAUSE!! It bears repeating.....THANK YOU!
