

It is ALMOST time to Celebrate Your Club's Hard Work!

Send YOUR club's

John Goodwin Tower Award

application ASAP.

Be sure to make a copy for your club's records.

If you send the application early you may use regular mail service.

If you send the application close to September 12 please use Certified Mail so you can guarantee the arrival date.

Some clubs have chosen to use Certified Mail early, as the application suggests, as this will give you added assurance that your application has arrived.

If your club does not qualify for an award don't send the application but keep it for reference to start the process again next year.

Good Luck! See you in Galveston!

Rebecca Bradford, TFRW Awards Chairman
