

# Texas Federation of Republican Women Quilt Project

NFRW asked all states to create a quilt for the convention. I wasn't sure if Texas would be represented among the quilts until I attended a meeting in Wood County. There was a small quilt on display above the fireplace.

I found out Sara Phillips and Laverne Cozakos (sisters) had created the quilt the night before. I praised them for a job well done. The light bulb went off – I asked if they would be interested in creating a quilt for Texas for the NFRW Convention. They said YES!

Thank you Sara and Laverne you are incredible! There will be an opportunity to bid on this quilt at the TFRW Convention. It will be displayed at the convention with a bid sheet all weekend.
