

# PROGRAMS

*TFRW Members and Friends:*

*I want to thank you for a great 4 years. I hope you all enjoyed the "Elephant Stampede" when I was Vice President of Membership, it was fun and a great many of you used it in your Membership drives. "WE DID GOOD", but nothing is ever accomplished without the participation and the imagination of you the members to make things happen.*

*The last two years I have been Vice President of Programs, I hope you are still putting a pen and paper on each table at your meeting. Every Club is different and listening to the interest of your members make for really great programs.*

*Thank you so much for your friendship and support.*

*Judy Smith, VP Programs*
