Show Me The Money!!!

Has your local club had a successful fundraiser? I want to hear about it so I can share your ideas with other local clubs.

Every month in the President's newsletter, we will spotlight some unique and profitable events, showing pictures and giving helpful hints and details. There will be an ongoing list on the TFRW website (tfrw.org). When you are ready to plan a fundraiser that will suit the needs of your club, there will be a place to go to get ideas.

In order for this to be a valuable information resource, I need your input. *Show me the money!* Send me pictures and details of your profitable events, and let me share them with other clubs.

Remember, I want information about all events: big and small, pot luck suppers, celebrity \$1,000-a-person dinners, and everything in between.

I can't wait to hear from you, so I can start sharing your ideas.
