TFRW “CONSTITUTION PROJECT”

To: All TFRW Clubs

Mission: Plan a Constitution Day Celebration

Goal: To get copies of the Liberty Day pocket constitution booklet, containing the Declaration of Independence and the U.S. Constitution, a set of 24 Q&A flash cards, and a lesson plan/quiz into the hands of all Texas 5th graders, Principals, Schools & Teachers so they can Study and Teach the U.S. Constitution on September 17th.

Objective: To educate our youth about the contents of the U.S. Constitution and Declaration of Independence.

Study the Constitution because...

It is the document of America! Because without it...

You wouldn't have the right to assemble...

You wouldn't have the right to free speech

To teach the freedoms in our founding documents!

Public Law 108-447 Sec. 11 Division J-SEC.111(b) states:

“Each educational institution that receives Federal funds for a fiscal year shall hold an educational program on the United States Constitution on September 17 of such year for the students served by the educational institution.”

The above law, passed by Congress, deems that our Constitution is a vital component of student knowledge. We want to assist educators, parents, and leaders in implementing their programs!
