

Share the TFRW Vision!

Don't you love new calendars?

I do. There are 365 days each year ahead of us to make every day the best one ever. The Courtesy Chair can help you with many of those days by providing you with congratulations, sympathy or whatever you need from TFRW for major events in the lives of your members. Just living life provides all of us with special times and I need to know about them. Email is the ideal way to communicate with me to get correct information in writing.

Please make a note of the address: marthahl@yahoo.com or my phone number: 940-538-5506 if you prefer to tell me about it. Your help will be what makes this successful and I will count on you to let me know what is happening in your club!
