EXCELLENCE in YOUR Club!
Rebecca Bradford, TFRW President 2010-2011

I am sure you have heard Republican office holders say that the "Republican Women are the backbone (or heart or soul or brains) of the Republican Party" and we are!

Your club, the Texas Federation of Republican Women and the National Federation of Republican Women are all a part of the same team. The main job of this team is to work together across the nation to get Republicans elected to public office at all levels of government. When we are successful in helping get Republicans elected we then have a responsibility to support them and encourage them to keep on track with the American Values with which they have been entrusted.

We keep our clubs and our federation organized and active, we support activities necessary for successful campaigns, we monitor the actions of our Legislators and other office holders, and we reach out to our communities as good neighbors.

Just as your club has Guidelines to follow in the John Goodwin Tower Award, the Texas Federation of Republican Women's Board of Directors has Guidelines from the National Federation in the Betty Heitman Award for State Excellence. Both these award programs serve as an outline for success.

We need your help to be an Excellent Federation! You are already using the JGT Award application to help organize your club. You know it is best to keep that application with you when you and your board are planning your meetings. My request is that you ALSO keep the NFRW Local Club Achievement application with you when you plan. You will find that the awards have similar requirements so doing both will not be difficult. In September of 2012 you will send the JGT award application to Cheri Creekmore and the NFRW award application to me so the information can be forwarded to NFRW to help TFRW and your club gain national recognition.

Thanks for helping the Texas Federation get recognition for being Excellent! Remember, your TFRW Board of Directors wants to help your club be excellent, too. Be sure to let us know how we can help.

Thanks for your help!
