

Thanks for an Outstanding Event!

Carolyn Hodges – 1st Vice President, Special Events
March, 2010

Your participation and support of TFRW's first fundraising event of the year held on January 29, 2010 is greatly appreciated! This evening featured former White House Press Secretary **Dana Perino** who was introduced by former Undersecretary of State **Karen Hughes**. We were so honored that they could both be with us. It was well attended and what an opportunity to hear both of them! It was an inspiring message plus a nostalgic look back at the presidency of George W. Bush.

The following sponsored the event; thank you immensely.
