The National Federation of Republican Women led by our new President, Sue Lynch, just completed our Spring Board of Directors meeting in Oklahoma City, Oklahoma. I am pleased to announce that our new NFRW Board is full of energy and ready to put us to work! If you are not familiar with the www.nfrw.org website please visit today. There is a lot of information there that can help you with your TFRW job. You will be happy to know Texas is very well represented on the NFRW Board of Directors. The "Spirit" of the NFRW Board is the same spirit I am seeing on the TFRW Board and in clubs across the state. We are so excited about the possibilities in the November election! Our excitement will turn to HUGE disappointment if we do not work hard and get Republican voters to the polls. President Obama is doing all he can to help Republicans be successful in November; however, he can't do it all. THIS IS A CRUCIAL YEAR TO GET ALL REPUBLICANS OFF THEIR COUCHES AND TO THE POLLS. Craziness in Washington, Redistricting in Texas, trying to enforce LEGAL VOTING are but a few of the reasons why we need to work hard this year. Please consider hosting a "GET OUT THE **(REPUBLICAN)** VOTE" (GOTV) workshop in your area. See the article in this newsletter about the workshops presented by Jeanette Sterner. I love the quote at the end of Jeanette's article. You will, too!

Thanks for all you do and all you are going to do!!

Rebecca Bradford, TFRW President, 2010-2011
