**“GET OUT THE VOTE” TRAINING SEMINARS  
TO HELP REPUBLICANS GET ELECTED IN NOVEMBER 2010!!!  
Jeanette L. Sterner, TFRW Vice President of Campaign Activities**

I am working on teaming up with individuals and organizations to assist with the “Get Out the Vote” (GOTV) seminars to begin in July and go through September 2010. This is the next critical phase of the campaign to elect conservative Republicans across the State of Texas!

The initial planning began with a conference call with key individuals from TFRW: Rebecca Bradford, President; Toni Anne Dashiel, Immediate Past President; Barbara Larson, VP Legislation; Jody Rushton, Chair of Voter Registration; Besa Martin, Candidate Development; and Suzanne Johnson, Victory 2010. This call also included GOPAC representatives: Wayne Christian, Trey Trainor, and Chad Wilbanks. GOPAC assisted with the Campaign Management School held in Wichita Falls by supplying two excellent speakers. Teaming up with GOPAC will lead to even better seminars to get conservative Republicans elected!

The second phase of the plan is to obtain ideas from Borah Van Dormolen, National Committee Woman; Rebecca Williamson, VP Programs; Sharon Dale, Ballot Security; Karen Hughes, Legal Affairs Counsel; Debra Coffey, District Director Chair; Helen Heavey, County Chair Liaison; and Representatives from the Tea Party Movement. Though these people mentioned above are “heavy hitters,” guess what? I need the assistance of the Deputy Presidents, District Directors and Club Presidents to make the GOTV seminars successful! Why, because you are the ladies in the trenches! Who knows best the key battlegrounds for Republicans? Who knows best the topics that need to be covered in these seminars to make them “fit” your workers AND voters? Who knows best the locations to hold these events? YOU DO, the Deputy Presidents (DPs), District Directors (DDs), Club Presidents and County Chairs!

At the TFRW Quarterly Meeting on April 29-30, I will introduce Wayne Christian and Trey Trainor, who are members of GOPAC. They will give a presentation on one section of the GOTV Seminar, the “Legislative Round Table.” They are going to discuss a very important reason to elect Republicans, “Redistricting!!!” We need a good majority of Republicans in the State Legislature in order to control that procedure, which will take place next session!

At the Quarterly Meeting in April, be ready to give me dates and locations for GOTV Seminars in your Region. To be able to cover as many communities as possible, it will be necessary for DPs, DDs, Club Presidents and County Chairs to work together and jointly host a GOTV Seminar. For example, the Fort Worth/Arlington/Dallas areas are considered critical for electing Republicans in order to maintain the House/Senate Majority. So, the leadership of TFRW, Republican Party of Texas (RPT), and Tea Party need to consolidate their efforts and determine a date, time and place to host a GOTV Seminar. Obviously, two seminars may need to be scheduled if the projected number of attendees will require two separate dates. The workshops are usually held on Saturdays. We begin in July and go through September.
