

TEXAS FEDERATION OF REPUBLICAN WOMEN

Patrons Program

Dear TFRW Members,

Ladies, I don't have to tell you how important this next year is going to be for all of us. The 2010 election cycle will probably be one of the most important in our lifetime. Both keeping and adding to Republicans in office at the local, state and federal level will take enormous effort on our part and on the part of all Republicans.

I also don't have to tell you how important the Texas Federation of Republican Women will be to that effort. The Texas Federation of Republican Women is the most powerful women's organization in Texas and for that matter, I believe, in the United States. And so today I am writing to ask you to support TFRW by becoming a Patron. The Patrons of this organization provide TFRW with the additional operating capital that is essential to continued development of programs and workshops for all our members. It also allows TFRW to maintain low general membership dues, making membership affordable for all Republican Women's Clubs.

As a Patron, you will enjoy receiving the President's Newsletter, invitations to all TFRW Board Meetings including invitations to exclusive receptions at those meetings, featuring special guest speakers and photo opportunities with elected officials. In addition, Patron membership comes with a specially designed membership pin and reserved priority seating at all TFRW functions.

How do I become a Patron, you ask? Let me tell you. All it takes is a commitment of \$250. annually to the Texas Federation of Republican Women. This commitment can be lump sum, semiannual or quarterly.

Please consider joining us by filling out an application form and sending your \$250. contribution today. You will never regret doing so.....I haven't. Also, please share this information about the Patrons program with your members.
