

*Share the TFRW Vision!*

## **TEXAS FEDERATION OF REPUBLICAN WOMEN**

### *Patrons Program*

#### *What is a TFRW Patron you ask?*

The Texas Federation of Republican Women is the most powerful women's organization in Texas and for that matter, I believe, in the United States. The Patron Program provides a unique opportunity to take your TFRW membership to the next level.

The Patrons of this organization provide TFRW with the additional operating capital that is essential to continued development of programs and workshops for our members. These additional funds also allow TFRW to maintain low general membership dues, making membership affordable for all Republican Women's Clubs.

As a Patron, you will enjoy receiving the President's Newsletter, invitations to all TFRW Board Meetings including invitations to exclusive receptions at those meetings, featuring special guest speakers and photo opportunities with elected officials. In addition, Patron membership comes with a specially designed membership pin and reserved priority seating at all TFRW functions.

How do I become a Patron, you ask? Let me tell you. All it takes is a commitment of \$250 annually to the Texas Federation of Republican Women. This commitment can be paid in a lump sum, semiannually or quarterly.

If your budget allows, please consider joining us by filling out an application form and sending your \$250 contribution today.

You will never regret doing so.....I haven't.

Please don't hesitate to contact me with any questions.
