

**SHARE THE VISION: COMMUNICATE, EDUCATE, GROW, CELEBRATE
AND ELECT REPUBLICANS!** *Rebecca Bradford, President TFRW*

WHAT A NEWSLETTER!! In this issue of your TFRW President's Newsletter we have a wide variety of information that you must not miss! As our Motto says we "Share the Vision: Communicate, Educate, and Grow". Let's add Celebrate because this will be a year to remember and celebrate in Republican Political History.

In this issue we:

COMMUNICATE: Campaign Activities information, Newsletters, Awards;

EDUCATE: S.R.E.C., Amnesty, Scholarships, So Called Health-Care Bill, 10th Amendment, Voter Registration and Get Out the Vote Workshops, Constitution Projects (yes, I said Projects because this year we are offering TWO educational and fun Constitution Projects---Don't choose one, choose both, because they complement each other;

GROW: Auxiliaries of the Republican Party of Texas and Membership—Did you know **18 Clubs** have already met their 16% Growth Goal?? WOW!

And **CELEBRATE:** Please make your plans to attend the Pre-Convention TFRW Social that includes a special Margarita Party for Patrons (it is not too late to become a Patron before the convention!) and, of course, we are all looking forward to the TFRW TRIBUTE TO WOMEN Brunch to celebrate our essential and much appreciated club volunteers!

Enjoy and PARTICIPATE!

TFRW is happy and proud to offer CONGRATULATIONS to the Republican Candidates who survived the Primary and Run-Off Elections. THANK YOU to all the Republican Candidates, Volunteers, and Poll Workers who have completed PHASE ONE! A short story about the Run-Off for Congress in District 27—the morning after the Run-Off Election the winner of that contest was on the local morning radio show in Corpus Christi. His opponent in the Run-Off called the radio show to tell the winner, "Congratulations on winning and I am ready to re-sole my boots and help you beat this guy!" We should all emulate that attitude.

NOW, here COMES the **REAL** RACE. We are not done, even though you may already be tired. Take a breath, decide how you can help and get yourself ready to go to work! We are the VOLUNTEERS.

We are the VOLUNTEERS because we care.

We are the VOLUNTEERS because we understand the importance.

We are the VOLUNTEERS because we know the "How, Who, What, and Where" of campaigns.

We know that 20% of TFRW Members are GREAT Volunteers for Campaigns---How do we get the other 80% to work, too? I know "Republican Women are the backbone, heart, and mind of the Republican Party". It makes us all feel good when we hear our great office holders say so; now, we must live up to their expectations! IF YOU HAVE A GOOD IDEA HOW TO GET EVERYONE INVOLVED IN A CAMPAIGN, LET ME KNOW AND I WILL TELL ALL THE CLUBS ACROSS TEXAS. Every club has great workers and every club has some folks who prefer to watch the show rather than be in it. Tell me how you get ALL your great MEMBERS into Campaign Mode! I look forward to your recommendations to motivate Campaign Volunteers!
