THESE ARE EXTRAORDINARY TIMES AND WE HAVE EXTRAORDINARY RESPONSIBILITIES

This year we are working to give our members the opportunity “do something” by developing cooperation among Republican groups in Texas ---TFRW, TX-GOPAC, RPT, SREC, Republican County Chairmen, and more. Republican groups are reaching out to other Republican groups with the hope of developing a STRONG force to help keep Texas the “Best State in the USA”. That is not just a phrase; it is what people all over the country are saying. I hear people ask, “**WHAT MAKES TEXAS SUCH A GREAT STATE?**” I just say, “**We are governed by GOOD REPUBLICANS!**” It does make a difference.

It is not an exaggeration to say that Texas has a responsibility to the rest of the country (and the rest of the world) to keep and support our Republican Leadership. It is no exaggeration to say that Texas is more likely to keep our Republican Leadership if EVERY member of TFRW does her (or his) part on this support team.

At the Republican Party of Texas Convention held in June in Dallas Senator Hutchison and Governor Perry each extended a hand of cooperation to the other; candidates for the Chairman of RPT offered to help each other; Governor Haley Barber came to support Governor Perry; TFRW celebrated Republican Candidates and Republican Women---The feeling of “We can do this” was overwhelming. It is time to take the energy and good will created at the convention and move forward to get as many Republicans elected as possible. It is truly a responsibility of each member of the Texas Federation of Republican Women to **DECIDE** what she (or he) can do to help Republicans win and then **Do It**.

We don’t want to wake up the day after Election Day and realize that we should have made a stronger effort. **REPUBLICAN OFFICE HOLDERS ARE MORE EFFECTIVE, MORE HONEST, AND MORE LIKELY TO WORK TO SAVE AMERICA** than are Democrat office holders. It does not matter that some of those Democrats may be nice people or may even be our friends. When it is all said and done Democrats **MUST** follow the guidance of President Obama and his ‘helpers’. We did not join TFRW to go to lunch (although that part is really fun, too!) but to make a difference in our community, county, state and in our country. Thanks for all you do and all you will do this year to **GET REPUBLICANS ELECTED!**
