

Congratulations
Newly Elected Republican Party of Texas State Executive Committeewomen!

Congratulations! Last month I wrote an article about the RPT State Executive Committee (SREC) to encourage you, as TFRW leaders, to consider running for this position. Not all of you won, but you can't win if you don't even try. I truly admire each and every one of you who gave it your best.

Our goal now should be to link our SREC members with TFRW District Directors. We share the same Senatorial Districts, and it is a missed opportunity if we do not share contacts and ideas. We know our areas very well and can share our knowledge of SD with our SREC members in order to meet more people and eve better understand our areas. We can collaborate on GOTV efforts and share communications.

Below is a list of those who are now committeewomen on the SREC for the next two years. I encourage you all to make an effort to meet your SREC member. If she is not yet a member of your club, please extend the invitation. If she is a member of a club, be sure to send her the meeting time/location of your club and invite her to visit (and ask her to join your club as an associate.) Remember that whether she represents an SD covering part of a county or represents many, many counties, she may have a dozen or more clubs to work with, so don't be offended if she doesn't join every club. All of those associate fees can add up – just stay in contact and share information! Teamwork is KEY.

If she is new to the SREC, you may want to wait to invite her to speak until she gets her committee assignment(s) and a little experience under her belt, but be sure she knows that you want to get to know her better.

I thank you all for your efforts and earnest desire to work even more closely with our Republican Party of Texas. We all share the common goal to WIN BIG in 2010, so let's join arms and "git 'er done"!

Rebecca Williamson
State Republican Executive Committeewoman, SD 24
