

**“GET OUT THE VOTE” SEMINARS FOR 2010**  
**Jeanette L. Sterner**  
**TFRW Vice President of Campaign Activities**

The TFRW Campaign Activities Committee has been working on planning seminars on “Get Out the Vote” (GOTV). We have already had seminars in Lamar County and Tarrant County. Because of the size of Texas and time constraints, most seminars are a combined county effort.

I am asking the leadership of the various Republican Women’s clubs and Senate Districts to include County Chairs, precinct chairs and TFRW membership to become actively involved in the process. If you plan on attending the training seminar closest to your area, please contact the “Contact Person” and me. It is important that we know how many attendees will be coming because of space constraints.

DATE	LOCATION	CONTACT PERSON
July 17, 2010	Nueces & San Patricio Co	Virginia Hindman 361-533-2536
August 21	Wichita Co	Martha Hall 940-538-5506

The two GOTV seminars we have had so far have been well attended. The excitement is catching! Everyone cannot wait until the November election. Victory is in our grasp, but nothing is won without hard work. We have our challenge, so “Ok Girls, Let’s Go Save the Country!”
