

Carolyn Hodges, 1st VP Special Events

Thanks so much to all of you who participated in “Celebrating Republican Women” in Dallas on the eve of the RPT Convention. It was a lively evening that included all the right ingredients for a festive Republican event. We greatly appreciate Senators Nelson, Shapiro, and Huffman being our “main event” as well as our many candidates who came by for introductions and mingling with the crowd. We all have to take this event to the next level and get these candidates elected in November!

And all of you please remember your *TFRW Leadership Handbook!* It can be a handy source of information for many situations or questions. Please use it and let me know if you have any corrections or ideas regarding this current edition so that the next publication will be even better.
