

## BIOGRAPHY OF NANCY MAINOUS

I moved to Galveston Island with my husband, Dr. Elgene Mainous, in 1989, when he became Chairman of the Dept. of Oral and Maxillofacial Surgery at UTMB. We have enjoyed living in Galveston for the past twenty years and are the proud parents of three children and four grandsons.

Over the years I have been very involved in several local charitable institutions serving as past President of the Galveston Country Club Women's Association; past President of Pirates Investment Club; on the Board of Directors of The Galveston Island Humane Society presently serving on it's Advisory Board. I have served on the Advisory Board of the 1894 Grand Opera House and been a Docent for six years at the Moody Mansion, and many others.

I have been a proud member of Galveston Republican Women for many years and served on numerous board positions until I was elected president in 1998. I am presently serving as First V.P Programs. One of my most enjoyable functions has been to Chair the Anniversary Luncheon which we hold each year in May. This year we will be celebrating our 55<sup>th</sup> year - we are proud to say we are the second oldest club in Texas.
