

Texas Federation of Republican Women Dictionary Project Bookplate Example

Local clubs provide their own bookplates for this project.

Bookplates can be printed from a home computer or at local print shop. Avery brand self-adhesive name badges are a good size (2 1/3" x 3 3/8"). The company provides downloadable design software (www.avery.com) with telephone support.

Be sure to include your mailing address when designing your bookplates.

The sample presentation guideline on our site refers to the Thomas Jefferson quote used in this example.

Be creative!

"I cannot live without books."
Thomas Jefferson
