# Republican Women Care

February 15, 2008

Dear friends,

We rely on donations from individuals like you to continue the community service projects that we work so hard to provide in our community. The efforts of **Anytown Republican Women** enhance the presence of all Republicans. Your support is greatly appreciated.

Our flagship project is **The Dictionary Project**. This year we will provided more than 475 encyclopedic dictionaries to 3<sup>rd</sup> grade students and teachers in our community. We also donate children's books to our public libraries as part of the **Barbara Bush Literacy Library Project**. Lastly, we participate in **The Mamie Eisenhower Library Project**, established in 1961 by the National Federation of Republican Women, which aims to foster Republican philosophy and ideas through the donation of subject related books and videos to libraries, schools, or other institutions. We also contribute annually to the **Texas Federation of Republican Women State Scholarship**.

There is more we would like to do. We hope to provide grants for local teachers and a college scholarship to honor individuals who share our dream for the future.

Please consider joining us and contributing to help us continue these important projects!
