## Lower Ballot Campaign Fund of the Republican Party of Texas

As many of you have already surmised, we are under siege by the Democrat Party and their Marxist allies. Eight different left-wing groups are pouring money into Texas to turn Texas blue at every level. Democrat lower ballot candidates are being well funded from outside of Texas. Not only are they targeting lower ballot races but they are targeting **our judges**.

The Candidate Resource Committee is a standing committee of the State Republican Executive Committee and is comprised of SREC members and non-SREC members. Supporting candidates is a mission for both the CRC and TFRW and over the last few years we have worked cooperatively during the campaign season. There are currently seven TFRW members on the CRC and the Immediate Past President of TFRW has a standing position on the committee.

We have the responsibility of supporting down-ballot Republican candidates that are in competitive races against Democrats. By securing these local offices for the Republican Party, we are pushing back against the **Democrat Party** as well as building future leaders for our party, state, and nation. We can only accomplish this important task with the help of Republicans across the great State of Texas.

With the 2020 election cycle already in full swing, we are **continuing our Capital Club donation recognition program**. With your Club donation at the below levels, you will receive:

- 1. Recognition on the CRC portion of the RPT website**
- 2. Placed on the electronic ad during the next state convention**
- 3. A statewide thank you email to the entire RPT database.**
- 4. CRC Streamer Award for your flag or club banner.**

The award cycle is two years running from general election to general election. Recognition awards will be given for funds raised by individual clubs at five levels:

**Platinum - \$10,000 raised for CRC    Gold - \$5000 raised for CRC    Silver - \$2500 raised for CRC**  
**Bronze - \$1000 raised for CRC    Copper \$500 (Copper for clubs only)**

Our Republican candidates really need your help. Clubs or individuals can donate on-line at [www.texasgop.org/crc](http://www.texasgop.org/crc) or use the PAC form that accompanies this letter.

Our primary fund-raising efforts are preconvention and convention. However, with our COVID-19 challenges and the cancelation of our State Convention, we find ourselves in a desperate need of funds. We hope you can help.

Thank you for all you do already to support our candidates and the Republican Party of Texas!

LETS WIN!!!
